

October 30, 2023

Dear LEA Members and Guests,

On behalf of the LEA Board of Directors, it is my pleasure to invite you to the LEA's Annual Meeting and Educational Conference being held at the Fort Lauderdale Marriott Harbor Beach, Fort Lauderdale, FL, January 31 to February 2, 2024.

Don't miss this opportunity to catch up with your fellow members from all over North America, Latin America and Europe and obtain interesting educational content along with Continuing Education credits.

We begin on Wednesday January 31st with our annual Rod Birmingham Memorial Golf Outing at the Jacaranda Golf Club. Later in the evening will be a welcome reception at the Marriott Hotel.

On Thursday morning, for the General Session we've adopted a new very interesting format which has been modified to include two sessions., which we think the membership will enjoy. The first is "***Buying Insurance & Making Claims, The Risk Managers Perspective***" includes Denise Straka of Calpine Corp, Lauren Thibodeaux of Freeport LNG, Jessie Guerrero of Alliant Insurance Services, moderated by Brian St. Jacques of AIG Energy. The second session, "***Property Claims – How Are we Doing?***" is moderated by Martin Thomas of Brit and joined by Paul Aviles of AWAC, Milica Aksic of Munich Re, Trevor Self of Beazley, Richard Woodhams of Dale UW and Stuart Wright of Ascot.

Thursday afternoon and Friday morning, we are providing a choice of three separate two-hour workshops followed by a choice of three separate one-hour sessions, all of which qualify for Continuing Education credits.

The topics for the two-hour sessions are ***Comparative Approach to Complex Claims Adjustment in Latin America Jurisdictions; Meanwhile in Canada.... An Oversight to the Challenges of Managing Losses; and Complexities of Cannabis Claims.***

The one-hour session topics are: ***Information Requests for DSU Claims-What is Required, What is Received...What Can We Do?; Subrogating Highly Technical Claims in the Market Share World; and When Property and Pollution Damages Collide: Assessment, Coverage and Claims Resolution.***

These presentations will provide a balanced and informative program which we hope you will find entertaining and educational.

We are extremely pleased to return to the Marriott Harbor Beach, one of the LEA members favorite locations. You will find that it is a great value, so take advantage of the LEA hotel rate by booking now. I look forward to seeing everyone again for another successful LEA Conference. Register early as we anticipate keen interest in this January event.

Best Regards,

Ray Mattia

Select One 1-Hour Sessions

Workshop meeting room locations are posted on the location Board in front of the Grand Salon as well as in front of each workshop room.

Workshop 4 (1 Hour)

Information Requests for DSU Claims – What is Required, What is Received...What Can We do?

When RFI's are submitted for information to support a DSU claim, many Insureds and, quite often Insurers, will question the need for the quantity and type of information requested which can cause unease among the parties from the outset. This course explains why certain information is requested and how it is used to analyze the DSU claim.
